Violation Number

General Condition: The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the Court.

Nature of Noncompliance

Weaver was released from the custody of the Bureau of Prisons (BOP) on Monday July 21, 2014, to begin her two year term of supervised release. On Thursday July 24, 2014, Weaver reported to the probation office to meet with her probation officer. Weaver was asked if she had used any illegal substances since her release from prison. Weaver admitted to using heroin the day she was released from BOP. Weaver stated she was picked up from jail by her friend and returned to her friend's house, where she and her friend used the heroin. Weaver was very remorseful in her actions and advised she wanted to get clean of drugs. A drug test was conducted in the Probation Office on July 24, 2014. This specimen was sent to the laboratory for testing and was returned positive for opiates and amphetamines

Violation Number

Standard Condition #6: The defendant shall notify the probation officer at least ten days prior to any change in residence or employment.

Special Condition #11: Upon release the defendant may be required to reside up to the first 180 days in a residential substance abuse facility or inpatient treatment facility.

Nature of Noncompliance

Weaver reported to the Residential Re-Entry Center, MERS, on Tuesday July 29, 2014, to begin her 180 day stay. On Friday August 1, 2014, Weaver was directed by MERS staff to go to Barnes Clinic, located in St. Louis, Missouri to have her tuberculosis (TB) test read, which is required by all residents. It should be noted Weaver went to the Barnes Clinic on Thursday July 31, 2014 to have her physical and TB test taken. According to MERS staff, Weaver signed out at 9:30 am and was due back to MERS at 1:30 p.m. The undersigned officer was notified at 3:45 p.m. that Weaver had not returned from the clinic. Further investigation revealed Weaver never reported to the Barnes Clinic on August 1, 2014. She was declared an absconder at 4:38 p.m. on August 1, 2014.

Weaver's whereabouts are currently unknown.

Previous Violations

On July 28, 2014, the Court was notified of Weaver's failure to abstain from use of a controlled substance. Weaver admitted to using heroin the day she was released from prison. Per the Court's orders from the revocation on June 6, 2014, Weaver was directed to report to the Residential Re-Entry Center, MERS, on July 29, 2014, where she was directed to reside for 180 days and be screened for Project Earn (Drug Court). Weaver did attend her Drug Court screening on July 31, 2014, however she absconded from MERS the next day. No Court action was taken, this violation has been included in the petition.

U.S. Probation Officer Recommendation:

As Weaver continues to violate the conditions of her supervised release and her current whereabouts are unknown, the probation office is requesting Court action be taken to ensure the safety of the community and the safety of Weaver.
The Supervised Release should be
